

**INFORMATION**

**Updates on additional information on the circular note No. 14/2021(SE-14/2021) and No. 8/ 2021 (Addendum SE-08/2021)**

Based on the previous publication on the expatriate's requirements to enter Indonesia, the Ministry of Foreign Affairs has established Circular Note No. D/01363/07/2021/64 on July 8th, 2021 and referring the Ministry's Circular Note No. D/01326/07/2021/64 on July 4th, 2021 regarding the announcement of the National Task Force for COVID-19 Handling Circular Letter No. 14/2021 concerning Provisions for Domestic Travel during the COVID-19 Pandemic Period (SE-14/2021) and the Addendum to the National Task Force for Handling COVID-19 No. 8/2021 Circular Letter concerning International Travel Health Protocols during the COVID-19 Pandemic Period (Addendum SE-08/2021), there are 5 additional highlighted points:

1. Foreign nationals under the age of 12 years, traveling with their parents and entering the territory of the Republic of Indonesia or traveling with domestic flights, are exempted from showing a COVID-19 vaccination card/certificate.
2. Foreign nationals, who cannot be vaccinated due to medical conditions, are exempted from showing a COVID-19 vaccination card/certificate, for international and domestic travel, with the additional requirement to show a health certificate issued by a doctor (specialist) or other medical supporting data, stating that the person is unfit for COVID-19 vaccination.
3. Foreign nationals who are active flight crew members or ship crew members who intend to leave the territory of the Republic of Indonesia, are exempted from showing COVID-19 vaccination card/certificate but are required to provide other applicable health protocol requirements.
4. Foreign nationals who are not vaccinated and intend to leave the territory of the Republic of Indonesia, but need to travel domestically in order to reach the exit point for international flights are exempted from showing COVID-19 vaccination card/certificate provided that they do not leave the airport area during transit or waiting for their international flights, with the following requirements:
  - Obtaining clearance issued by the local Port Health Office/Authority to travel domestically, with the purpose to continue their flights to leave Indonesia; and
  - Showing valid flight itinerary leaving Indonesia for direct transit from the city of departure to the exit point for international destination.
5. Officials of Foreign Missions and International Organizations and their family members who are residing outside Jakarta and have received COVID-19 vaccination invitation from the Ministry of Foreign Affairs of the Republic of Indonesia, are encouraged to reschedule their visit to Jakarta, and await the implementation of the mutual cooperation vaccination program conducted by the Government of the Republic of Indonesia in their respective areas.
