Update the Business Entity Certificates for Company in Indonesia Based on the Minister of Public Works

The Minister of Public Works and Public Housing has stipulated Regulation of the Minister of Public Works and Public Housing No. 8 Year 2022 concerning Procedures for the Implementation of Compliance with Construction Service Standard Certificates in the Context of Supporting Ease of Business Permits for Construction Service Business Actors.

Through this regulation, the government provides ease of business licensing with complete information regarding Business Entity Certificates (Sertifikat Badan Usaha/SBU) for construction service businesses during the Covid-19 pandemic in Indonesia. SBU is a certificate document to show that a construction company is legal and proper in running its business. In general, SBU is intended for companies engaged in the construction sector.

Companies wishing to obtain an SBU can follow several stages namely:

1. SBU requests are made through the Online Single Submission (OSS) system by using Single Sign On (SSO) access on the Business Permits to Support Business Activities (Perizinan Berusaha Untuk Menunjang Kegiatan Usaha/PB UMKU) menu which is connected to the integrated Construction Business License (Surat Izin Usaha Konstruksi/SIJK)
2. The applicant submits data and documents required for the SBU through the integrated SIJK
3. Data and documents for business entity certification requirements include:
 - a. Annual sales data;
 - b. Asset financial capacity/value data;
 - c. Availability of Construction Workforce (Tenaga Kerja Konstruksi/TKK) data;
 - d. Data capability in providing Construction Equipment;
 - e. Implementation of an anti-bribery data management system; and
 - f. Data on Construction Service Business Entity (Badan Usaha Jasa Konstruksi/BUJK) associations registered with Construction Services Development Institute (Lembaga Pengembangan Jasa Konstruksi/LPJK)
 - g. Annual sales data, availability of TTK data, and data capabilities in providing construction equipment
4. Data on financial capacity/asset value, data on the implementation of the anti-bribery management system, and data on the collapse of BUJK registered with LPJK
