**INFORMATION**

**Foreigners Can Now Apply for Visit and Extension Visas Directly on the Molina Immigration Website**

On 26 January 2023 during the 73rd of the Immigration Birthday (HUT), the Directorate General of Immigration announced the new services provided on the website of [molina.immigration.go.id](http://molina.immigration.go.id) for the foreigners who would like to apply:

- Tourist Visit Visa
- Pre-Investment Visit Visa
- Extend the Electronic Visa on Arrival (e-VOA)

Molina's website accepts several online payments including a credit or debit card within the Visa, Mastercard, or JCB networks. With this online payment service, the foreigners can complete their visa applications in one process. Previously, foreign tourists holding e-VOA had to come to the immigration office to apply for an extension and there were not any online payment methods available, but now, they will be more comfortable enjoying their vacation time because they can process their visa from anywhere and at any time simply by using devices with the internet network.
