The Extension of Enforcement of Restrictions on Community Activities (PPKM) Java-Bali to November 29th, 2021

According to the press conference held by the Secretariat of the President of the Republic of Indonesia on November 15th, 2021, the Coordinating Minister for Maritime Affairs and Investment, Luhut B. Pandjaitan announced regarding the extension of the implementation of the Emergency Community Activity Restriction (PPKM) in Java-Bali. The government decided to extend the PPKM of Java-Bali from 16th until November 29th 2021. The majority of regencies/cities are in Level 2, while 26 others are in Level 1.

As reported after the Limited Meeting (Ratas) on the Evaluation of Community Activity Restrictions (PPKM) earlier, the Indonesian Minister of Health, Budi Gunadi Sadikin stated that the government will continue to ensure the implementation of health protocols to control the Covid-19 cases on the upcoming Christmas and New Year Holidays (Nataru). However, the regulations of PPKM in Java-Bali will still remain the same. As a response to that, there are some scenarios prepared by the government, including :

1. The government plans to ban New Year's celebrations that are likely to cause crowds.
2. The acceleration of vaccinations especially for the elderly.
3. The face-to-face learning that under close supervision.
4. Ensuring stock supplies of vaccines and medicines of Covid-19.

As emphasized before, the government still urges people to remain compliant with health protocols since there has been an increase of daily cases of Covid-19, by always implementing 3M (wear a mask, washing hands, keep the distance and avoid the crowd) and 3T (testing, tracing, and treatment).
