Updates on the Announcement of Corona Virus Pandemic (COVID-19) Termination in Indonesia Based on the Presidential Regulation No. 48 Year 2023

The President of Indonesia, Joko Widodo issued Presidential Regulation (Peraturan Presiden/PERPRES) No. 48 Year 2023 concerning the Termination of Handling of the 2019 Corona Virus Disease (COVID-19) Pandemic on 4 August 2023.

Previously, the Presidential Regulation No. 82 Year 2020 concerning the establishment of a committee on handling the COVID-19 pandemic and national economic recovery was released to alleviate and face the multi sector problems risen from the pandemic. Currently, the Presidential Regulation No. 82 Year 2020 is revoked and replaced with the Presidential Regulation No. 48 Year 2023.

Through the Presidential Regulation No. 48 Year 2023, Indonesia's President, Joko Widodo has officially confirmed the end of the COVID-19 pandemic in Indonesia and the country has entered endemic status on 21 June 2023. The COVID-19 Handling Task Force (Satuan Tugas/SATGAS) and Economic Recovery Handling Committee are relieved of duty.

In addition, the procurement and implementation of vaccinations **are no longer valid**, travel that requires vaccines, quarantine, and the use of masks is **no longer mandatory**.
